Single Session At High School Begins On Monday, February 1st

YESTERDAY'S THAW helped reduce this pile of fluffy stuff at the Municipal Parking Lot after a series of storms of snow and sleet over the past weekend. Town Manager Monahan reported cost of snow removal at \$42,301.17. Snowfall was recorded at 22 inches and weekend storms necessitated time and a half and double time rates. Usual cost for same snowfall could reach \$50,000, according to Monahan.

One Of The Classrooms - - -

Work is completed on the addition to Arlington High school and single-session classes will resume on Monday, Feb. 1.

The total appropriation for the addition was \$1,208,800 and covered construction costs, architect's fee and equipment. The athletic department equipment is also covered by the original appropriation but will not be

equipped until later this year.

The total enrollment as of Dec. 1964 was 2,619 students, including vocational classes and the S.T.E.P. program. The freshman class this year is listed at 584.

In the change-over from the "two-platoon" system, all students at the High School will start classes at 8 a.m. and dismiss at 2:10 p.m.

Addition, \$363,485

Congressman Torbert H. Macdonald of this District today announced the award of a Federal Government contract to build a one-story extension to the Arlington Post Office and for extensive remodeling and rehabilitation of the existing structure.

"The amount appropriated for the project is \$363,485," Macdonald stated.

"The existing two-story structure," pointed out Mac-

donald, "was originally completed in 1936. The proposed remodeling to it will include installation of a new ventilating system, modernization of the present lighting system, and conversion of the heating system. Other improvements will include: installing a new main entrance to the building; refinishing the wood floors of the building; repairing the roof and doing general interior and exterior painting on the premises."

"Moreover," said Macdonald, "the completed new one-story extension will add approximately 40 percent of additional working space to the structure."

Formal award of the contract was announced today and it is estimated that the work, which is expected to begin in the near future, will be completed by the first of next year.

'Conflict' Downed, 3-2

By a 3-2 vote at the meeting on Monday night, the Board of Selectmen retained their present classification of "special" employees under the "conflict of interest" law. Voting against were Homer Greeley and Feeley and voting in favor were Bilefer and Bullock.

The discussion was in three parts, covering the last three meetings of the Board, and at times developed into a lively clash of personalities.

In addition to the statements of Selectmen, opinions and statistics were inserted

by residents who attended all three meetings. Official interpretations were also obtained from Town Counsel Joseph Purcell relative to the "conflict" law which was termed by all concerned as "vague and difficult to interpret."

On Monday night, the issue was brought up with a statement by Selectman John A. Bilefer that he wanted clarification of the two terms, "special" and "regular" in terms of doing business with the Town.

Counsel Purcell stated that under normal circumstances, a "regular" employee cannot do any business with the Town but it is possible to get a "special" status. He commented that it is most difficult to give an opinion in general because there are so many facets to the law and each case has to be ruled on specifics.

Early in the discussion, Selectman Bilefer charged that the present controversy was due in part to the confusion

SUBURBAN NATIONAL

The Annual Meeting of Shareholders of the Suburban National Bank of Arlington was held Jan. 20, at 8 p.m.

Edward J. Duffy, Jr. was elected Chairman and James J. Derba elected Secretary of the Annual Shareholders Meeting.

Dr. Theodore M. Leary, President of the Suburban National, gave his annual report on the condition of the Association and the business of the previous year. He pointed out that deposits of the bank had risen by \$1,080,464 during the past year, an increase of just under 60 per cent that loans outstanding at the end of the year totaled \$2,007,929, almost doubling loans at the beginning of 1964.

President Leary pointed out the extensive use bank customers are making of the drive-up window and that approximately five times as many persons made use of the window during 1964, as in 1963.

He announced the arrival of William E. Bent as the Suburban National's newest officer. Mr. Bent was subsequently appointed Cashier at the Directors Meeting which followed.

Dr. Leary reviewed the opening of the East Arlington Branch of the Suburban National on October 16, 1964 and said that the Branch managed by Harold Walden was receiving a good reception from residents and businessmen alike. He stated that the bank anticipates good growth in its East Arlington Branch both in deposits and loans during the coming year.

He concluded his remarks by thanking the shareholders for their support and predicted that 1965 would be an even better year than 1964.

The Shareholders then elected sixteen directors to serve until the next annual meeting: Haig J. Adamian, Clifford W. Adams, G. Richard Adamian, Coleman L. Bornstein, Robert L. Clancy, Russell J. Cummings, James J. Derba, Edward J. Duffy, Jr., George E. Egan, Robert D. Fallon, Charles D. Keefe, Jr., Theodore M. Leary, John J. Linnehan, Francis X. Mahoney, Jr., Gordon A. Saunders and Joseph S. After being sworn as directors, they adjourned to hold their first directors' meeting of 1965.

At the meeting the following officers were elected: Edward J. Duffy, Jr., Chairman of the Board of Directors; Dr. Theodore M. Leary, President; Clifford W. Adams, Executive Vice President; G. Richard Adamian, Vice President; John J. Linnehan, Vice

She has been very active in parent-teacher work on the state and local level, starting as a board member at the Crosby School, progressing to president of that Association and ultimately, directing the work of all the PTA's in town as president of the Arlington Council. On the State level, she has served on the board of managers of the Mass. Congress of Parents and Teachers for the past six years as its Legislation chairman.

At the present, in addition to her duties on the Arlington School committee, she has been appointed by the Mass. Association of School Committees to serve as hospitality chairman for the National School Boards Association convention.

Mrs. Brown said, "It has been a great privilege and pleasure for me to serve on the School Committee here, and I, sincerely, appreciate the confidence in my ability that the voters of this town have expressed. The past six years have emphasized for me the grave responsibility that rests on every member of a school committee."

"Each one must be motivated by a sincere desire to develop the best possible school system with educational opportunities for all the children commensurate with the learning potential of each; yet, realizing that quality education of this calibre is expensive, he must always bear in mind the town's financial ability to pay for the high standards of our schools and the excellent quality of its teachers."

"Arlington can be justly proud of its school system which in my opinion ranks as one of the finest in the Commonwealth. But we cannot afford to rest on our laurels. We must strive untiringly to retain that position or better it. As a school committee member, I believe, that we need, continually, to re-examine and re-assess the effectiveness of our educational system and re-evaluate its aims, purposes and programs in the light of vastly changed and changing world conditions."

"Change in and of itself is not necessarily progress, but progress always means change. Therefore, where improvement is indicated, after careful consideration and study, we must dare to go ahead with such adjustments or innovations as are necessary."

ELECTED TREASURER

The Massachusetts Board of Real Estate Appraisers held its first organization meeting for 1965 at 24 School st., Boston in the conference room of the Massachusetts Association of Real Estate Boards.

Henry E. Keenan, MRA, SRA, of Arlington, was elected treasurer and as trustee for a three-year term.

Conflict —
(Continued from Page 1)created by rumors allegedly
around town which he called
"dirty gossip". He also re-
marked that the issue has
been referred to as "political"
but he would bring it up
again because he believed in
it and the merits of the Se-
lectmen being designated
"regular" instead of "spec-
ial".Selectmen Joseph Greeley
stated that he had served
with many members on the
Board and that he did not be-
lieve that anyone was "more
honest than John Bullock".
He also took the stand that
he felt it was reasonable to
wait until the bill now pend-
ing before the Legislature
was voted upon and he would
abide by the rulings of the
General Court as to classifica-
tion.Selectman Kevin Feeley
outlined his views on the mat-
ter, stating that the Arling-
ton Selectmen have limited
"contractual powers" the
"special" classification is rea-
sonable. He also commented
that moral and ethical stand-
ards are more stringent than
the law and he felt the law
was not even needed.Selectman Bilafer com-
mented that the written law
strengthened the moral law
and was necessary.Chairman John Bullock
brought the discussion back
to the crux of the matter
of the present classification
of the Selectmen as voted by
the previous Board. He stated
that when the vote was origi-
nally taken, he made the mo-
tion and the previous board
changed their minds and
voted the Board "special".He reiterated his stand
that no valid reason had been
presented, in his opinion, to
justify the "special" classi-
fication of the Board. He re-
ferred to the fact that a
large portion of the residents
of the Town had indicated
their support of the motion
to change the Board to "reg-
ular".**NOW, will you join

the Board represented the
Town and not the five men
on the Board.John Powers, one of the
many spectators, summed up
his feelings by saying that
"law is law, but is not always
just" and "no man can judge
himself".Selectman Horace Homer
explained his position by
stating that the reason he
changed and voted "special"
instead of "regular" was be-
cause of the possibility of
"disenfranchising certain in-
dividuals". He said he had
asked many residents on the
matter and was told to "use
his own judgment".Allan Root obtained the
floor and remarked that the
"conflict" issue was probably
the "most ethical question
that has come before this
Board". He stated that he
had attended the meeting
when the previous Board
voted and had heard nothing
presented or contributed to
warrant the change of vote
from "regular" to "special".Root specifically engaged
Selectman Homer in a discus-
sion of ethics and stated that
Homer had "called the shots
both ways, first 'regular' and
then 'special', which was a
reversal on the matter". Mr.
Reardon, a spectator who had
also participated in the dis-
cussion last week, asked
Homer if he would concede
that there is "misunderstand-
ing" regarding the "special"
versus "regular" classifica-
tion and Homer agreed there
was.Reardon then asked if this
wasn't the time for a change
and Homer countered that in
his opinion more can be hurt
by change and it would be
doubtful to him if the classi-
fication of "regular" would
correct the hurt that had
been done.Bullock again asked for
someone to point out to him
if the Selectmen were not do-
ing the best for the Town.
Greeley stated that he was
not ashamed of anything he
had done and would not yield
but would wait for the bill
pending before Legislature.
Bilafer repeated his motion
and the vote was tabulated,
3 to 2.**Support Saul**In a spontaneous gesture
of support, more than 2,000
Arlington voters have
pledged to back Arthur D.
Saul, Jr., in hopes of encour-
aging Saul to return to his
seat on the Board of Select-
men. Saul is a former and
past chairman of the Board.This voluntary gesture
achieved its purpose, since
early this week in a letter to
his supporters Saul an-
nounced his intention to run
again for the office.In his personal letter of
thanks to each signatory of
the pledge, Saul wrote:"My heartfelt thanks. I
have been overwhelmed by
the spontaneous expression of
confidence by so many of my
fellow citizens. I am con-
vinced that if we conduct an
aggressive campaign, we can
and will win the election on
March 6th. In turn, I pledge
to you my best efforts."The successful pledge had
been sponsored by the Ar-
lington Citizens-for-Saul Com-
mittee, which lists the fol-
lowing qualification of its
candidate:Saul is a former member
and past chairman of Arling-
ton's Board of Selectmen,
who has long and noteworthy
experience in all phases of
the Town's affairs. As a mem-
ber of the Finance Committee
for 7 years and as chairman
for 4 years, Saul proved hisstrong sense of responsibility
toward maintaining a sound
fiscal policy for Arlington and
its already overburdened tax-
payers.In helping solve community
needs without increasing
taxes, Saul is remembered by
Arlington parents and chil-
dren as chairman of the fund
campaign which raised, 558,-
000 for construction of the
new Arlington Boys Club
building on the shores of Spy
Pond.Saul attended Arlington
public schools, Phillips Exe-
ter Academy and Dartmouth
college, and is a combat vet-
eran of World War II. He is
married to the former Lois
Whitman, also a lifelong resi-
dent of Arlington. They and
their five children live at 24
Gray st.In addition to 7 years on
the Finance Committee and
his two terms as a member
of the Board of Selectmen,
Saul has been an elected
Town Meeting Member for
the past 15 years and is a
former member of the MTA
Advisory Board."Based on this outstanding
record of experience and
achievement, the Citizens-for-
Saul committee sincerely re-
commends Arthur D. Saul to
the voters of Arlington**I'm Fine**(The following poem, written by His Eminence
Richard Cardinal Cushing, recently appeared in the
Boston Herald. Permission to reprint was graciously
given to the Advocate.)I live out in Brighton, close to B.C.
And I'm just as healthy as I can be
I have arthritis in both my knees
And when I must speak, then I talk with a wheeze
My pulse is weak and my blood is quite thin
But I'm awfully well for the shape that I'm in.I need arch supporters to strengthen my feet
My ankles are swollen; I'm white as a sheet
I toss in my bed without sleep every night
No wonder each morning I look like a sight
My memory is failing, my head's in a spin
But I'm awfully well for the shape that I'm in.Diverticulitis is a word hard to spell
But it's a disease from which I'll never get well
Ulcers that keep me on a diet with Maalox
Prevent me from resting in funeral box
The length of my sermons brings yawns or a grin
But I'm awfully well for the shape that I'm in.The moral is, friends, as this tale I unfold
That for you and for me who are fast growing old
It's better to say "I'm fine" with a grin
Than to let people know of the shape that we're in.

ARLINGTON CHAPTER for RETARDED CHILDREN

Richard Allen Barns, the national poster boy, is 7 years old and "mildly" retarded. He does not live in Arlington, but about 1,000 of his retarded "brothers and sisters" do. As all little boys do, Richie dreams of growing up, of being a fireman perhaps, or a cowboy. And Richie, so small now, will grow to manhood in a world with horizons far wider than we have ever known.

We want to do all we can to help him and other retarded children reach their full potential. This can be done through the pre-school nursery program, through special classes as offered in the Arlington schools, and through special vocational training and work shops.

The Arlington Fund Raising Campaign runs throughout the month of November. The educational endowment program is outlined below, and the goal for the Arlington community in scholarship gifts is set at \$15,000.

Will you answer Richie's call?

Boys' Club Committee to Select a Citizen for Outstanding Service to Youth—seated, l. to r., Mrs. Francis Keefe, chairman, Russell Eckel. Standing, l. to r., Arthur D. Saul, Jr., William Houser and Rev. Robert Slaughter.

Recognizing that many many civic minded citizens devote much of their time and talents in the interest of youth, the Board of Directors of the Arlington Boys' Club have appointed a committee to select annually, a citizen

who has contributed Outstanding Service to Youth. President of the Boys' Club, Jack Katz, announced that "the adult chosen will be honored at the annual meeting of the corporation". He went on to say: "The name of the person chosen will be inscribed on a plaque that will remain at the club. In addition, the individual will receive a suitable gift as a tribute to the action and concern he has demonstrated in the interest of Youth."

Mr. Russell Eckel has been appointed chairman and the following people will serve with him on the committee: Mrs. Francis Keefe, William Houser, Arthur D. Saul Jr. and Rev. Robert Slaughter.

More than 100 churches, school P.T.A.'s youth organizations, service and civic clubs and others have been invited to present nominees for this honored award.

Any citizen may propose a nominee, by obtaining an application at the Boys' Club office.

Interested citizens should keep the following criteria in mind, when considering a nomination. The nominee should be over 25 years of age; cannot be professionally engaged in youth work and must have demonstrated by example and action, an extraordinary concern in the proper development, growth and expression of the Youth of Arlington.

Deadline for nominations is February 1, 1965.

For additional information, please contact Director "Bud" Faulkner at the Boys' Club office.

The Board of Directors made another important decision, recently: — The Boys' Club will no longer require a physical exam for boys and girls who desire to join the club.

"Speed is not necessarily a hallmark of progress, but easy communication among all people certainly is." — Ernest Joiner, Sebastopol (Calif.) Times.

SCHOOL and SPORTS

by Hal O'Brien
Arlington Catholic's basketball team with its 12 wins and 1 loss record is the first team to qualify for the Tech Tourney. Coach Dick Broderick should be real proud of his boys. His Captain, John Treanor is a fine scorer and a great floor leader.

The town folks would like nothing better than to have Arlington Catholic cop the Tech event and have the high school hockey team win the State finals. Winning both would give local fans plenty to "crow" about.

Dave Berg of Pleasant View rd., who was a quarterback on the Harvard freshman team last fall until he sustained a leg injury is working out with the weights at the Harvard gym under the direction of Red Sox trainer Jack Fadden.

Jack spends his time at Harvard when not with the Sox. Harvard freshman football coach Tom Boone of Renfrew st. feels that Dave will be able to play football come fall.

Buddy LeRoux, 35 Crosby street the Celtics trainer will be a member of the teaching staff at the clinic for athletic injuries to be held at Tufts college Feb. 6. Red Sox trainer Jack Fadden will be there also. Hood's Physical Fitness Program will sponsor the affair.

The New England school ice tourney will be held at the Boston Garden March 18 and 20. The first game will be played at 7 p.m. on Thursday night. Last year St. Dom's of Lewiston won when they defeated Arlington in the final game. In 1963 we lost to Walpole and in 1959 Arlington defeated Melrose 1 to 0 in the state tourney to qualify for the New England.

The Celtics win streak of 16 wins fell two short of a previous one. After a one game loss the Boston Pro Hoopmen are now started on another long win streak.

Knowing that Ron Bonham and Mel Counts live here in town has people interested who never followed the sport before. These two Celts rookies should make quite a name for themselves before their playing days are over.

The Ketch'en and Keep'em pool at the Sportsman Show is crowded with anglers of all ages. Many an Arlington fisherman has landed a trout at the show and has taken it home, courtesy of the show. Among the many exhibits are the Scandinavian hunting items displayed by Richter Company of Arlington.

The high school track squad lost a close one Saturday by four points. The local relay team was defeated by three yards in a thrilling finish.

The relay team won several meets for the team but this time just could not outrun the fleet Watertown quartet. Arlington and Watertown are tied for second place in the Met track league. The locals still have to compete with Newton South who leads the league with five wins without a loss.

For the sport fans who are interested in scuba diving, a new sports firm is moving to 1185 Mass. ave., which features diving equipment. A little cool for this sport right now.

In three weeks time the first of the Red Sox will be heading for the warm, and sunny South. Bill Monbouquette and Bob Turley are working out daily at the Cousens cage at Tufts in pre-season drills.

Baseball fans from here would like to see Mombo get back in the twenty game winner circle. Sorry to see Johnny Pesky replaced as manager but Bill Herman has the baseball experience to move the club. Can't understand how the management of the Red Sox stands pat with personal that has failed to make the first division. The ball season will soon be upon us.

Frosh Romp

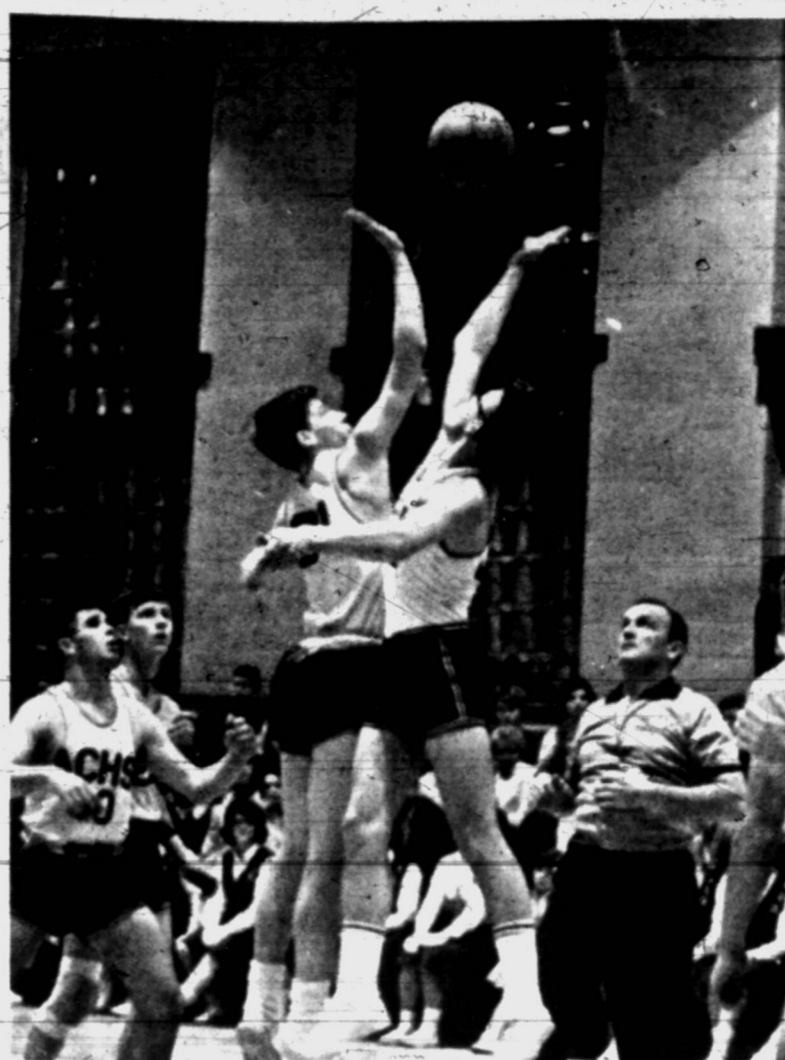

Saturday morning Arlington high schools undefeated frosh hockey team edged Malden Catholic 3-1 in a real close game. Corkery opened the scoring at the five minute mark when he took a pass from Russell and shoved the puck past the M.C. goal tender for the only score of the period.

The second period saw Arlington score again as Russell

St. Camillus Bowling

The Notre Dame entry in the St. Camillus Bowling League, leading the loop for most of the season, suddenly finds itself faltering behind Merrimack and threatened by up and coming Fordham and Loyola.

Ed Kelly continues to lead all bowlers with a 102.1 average followed by Gene Leahy with a 101.8 mark. Pete Oberto with a 100.8 average and Henry Steele with a 100.5 mark.

Bantams Win

The Belmont Bantams with nine Arlington boys on their roster edged Needham at McHugh Forum Sunday night 2 to 1 in a very close game.

Fectoue of Needham scored his team's only goal on a solo effort early in the first period and the Belmont team had to play catch up hockey, from there on.

The second period saw Needham maintain its one goal lead which stood up until midway in the final period when the Arlington line of the Belmont Bantams raced the length of the ice and Billy Spina scored with Tony Lyons and Cliff Hamilton assisting.

Within twenty seconds the same line tallied again. This time Tony Lyons dented the net and Cliff Hamilton had his second assist.

Bill Spina also had an assist on the goal.

The Bantams are coached by Scott Perrott the former Dartmouth College great who's son Kent plays for the Harvard freshmen.

Elementary Basketball

The second week of play showed a vast improvement in the play of the teams. The feature game in the Eastern League saw the Thompson Patriots beat the Parmenter Hawks 31-6. Thompson was led by Tony Zacher with 17 points and John Novillus with 6 points. Parmenter was led by Wright, Bena and Bartholemew.

The Hardy 76'ers remained undefeated when they beat the Cutter Lakers 20-8. Leading the scorers for Hardy were Matty Teeven with 6 points, Ray Hamwey 5 points and James Mark with 6 points. For Cutter it was Steven Webb with 6 points. Rich Kreuz scored 10 points to lead Crosby over Bishop and he got help from Nick Saccia (5 points) and Paul Cochran (4 points). The Brackett Nationals notched their first victory over Stratton by a score of 10-8 with Mortier scoring 6 points and O'Flaherty with 6 points.

In a real exciting game at the Jr. High West the Peirce Knicks defeated the Dallin Pistons 17-15 on Bill Dwyer's last minute basket, also starring for the Knicks were Steve Gould (5 points) and Larry Leblanc (4 points). St. James remained undefeated when they beat the Locke Warriors 12-11 with John Chisolm scoring 5 points and Vinney Megna with 3 points. Locke was led by its star

Buddy Leverone (7 points and Scott Nelson (4 points).

Overtime Loss

Arlington high "hoopmen" lost an overtime game to Brookline last week by the score of 72 to 67. This was a close but high scoring battle with Arlington leading by two points just before the regular game time was about to end, when Brookline scored on a technical foul shot to tie the score at 62 all.

In the overtime period the Brookline boys found the range for ten points while the best the local team could do was to score five.

Home and Family Living Class

by Patricia Whitehouse
 The Home and Family Living class at Arlington high school is always a busy place. Under the direction of their teacher, Mrs. Pauline Wade of the Home Economics Department, senior girls learn what is expected of them as adults and homemakers, as well as how to fulfill their responsibilities.

The year's work covers many of the problems a career girl, college girl and young married woman must face. During the course of the year, units of study are devoted to different areas of life from the most practical phases to the proper way to plan a wedding. The girls have just completed a very practical unit of study on finance.

Banking, credit, insurance, taxes, social security and budgeting have all been studied in depth with the help of many professional people. The girls were first instructed in the basics of finance and business by their teacher and then information was presented by visiting lecturers.

Commercial, savings and co-operative banks as well as several insurance companies sent representatives to instruct the girls in the fine points of their services. Although banking and insurance can be quite confusing the speakers kindly explained the processes in layman's terms and answered all questions.

To end the study of finance the students actually put into use the knowledge they had gained. Representatives from the classes made business transactions, with the help of local businessmen, and then reported back to their classes.

The representatives were given a salary and expense figure and they were told to purchase a house and car they could afford. The girls first went to Mirak's Chevrolet Company and "purchased" a used car. To arrange for the financing, the girls made use of the services of the Suburban National Bank.

The purchase of the house posed a more difficult problem. With the help of Penneil and Thompson Realtors the girls looked at houses. They soon realized the high cost of buying a house in Arlington not to mention taxes, utilities, upkeep, and financing.

The Arlington Five Cents Savings Bank helped the girls arrange for their F.H.A. loan to "purchase" the house. The girls reported back to their classes sharing their knowledge with everyone.

The benefit all of the girls received from this experience is immeasurable, many of them probably know more about finance than many adults. None of this would have been possible without the cooperation of local businessmen to whom the girls will always be in debt.

In addition to the extensive study of finance the girls will be trained in other areas. Time is devoted to studying home and social relations, physiology, alcoholism, in-

Harry Bean, of the Mirak Sales Dept., talks to the girls about car purchases. Seated are, left to right, Kathy Murphy, Louise Georgiana and Martha Fallon. Standing are, left to right, Diane Lesveque, Joan Proctor, Janet Hadley, Frances Craig, Marilyn O'Hanlon and Cynthia Shea.

Janet Pavliska and Alexander Malcolmson, Jr., seated, talked to the Home Economic girls at Arlington Five Cents Savings Bank. Standing, left to right, are Diane Lesveque, Martha Fallon, Frances Craig, Joan Proctor, Cynthia Shea, Kathy Murphy, Janet Hadley and Marilyn O'Hanlon. Standing between Mrs. Pavliska and Mr. Malcolmson is Louise Georgiana.

terior design, decoration, architecture, furniture and color.

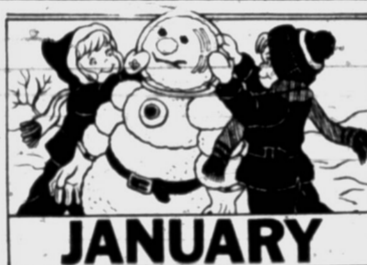

Later on in the year a pre-school nursery will be conducted in the high school to allow the girls to practice child care. Units in home nursing, nutrition, choice and care of silver and china, proper etiquette, and table setting, as well as, prepara-

tion for the perfect wedding and marriage will be taught.

As you can observe Home and Family Living class prepares the senior girl for her role in the future. None of this would be possible without the help of local businessmen, the school department, Miss Florence Forsythe, Head of the Home Economics De-

partment, Mrs. Pauline Wade, interested parents and friends of teen-agers.

Arlington is doing its share to prepare the mothers of the future, the girls able to benefit from this course will always be indebted and grateful to the far-sighted adults who have made this phase of their education possible.

JANUARY

January 10, 1901 — The way was paved for the great Texas oil boom when the first strike was made in Beaumont, Texas.

January 15, 1827 — A daredevil Frenchman named Chabert made the first test of the heat resistance of asbestos. He entered an oven, clad in asbestos and holding a steak in one hand. After twelve minutes he emerged safely ready to eat his well-done steak.

January 17, 1950 — The now famous Brink's robbery was staged. Nine bandits wearing Halloween masks escaped with \$1 million in cash and \$500,000 in checks from Brink's Incorporated, a Boston armored car service.

"The clerk said it's so light even a woman can handle it, so I bought you one."

Elected To Head Shriners

Harvard Studio

At the annual Election of Officers of the Aleppo Temple Shrine of Boston, William A. Odell of Arlington was elected Illustrious Potentate for 1965. Odell will head the Shriners organization with a membership of over 16,000 members in Eastern Massachusetts, and the fourth largest of the 167 Shrine Temples in North America. He succeeds Clarence G. Young of Needham.

The meeting, held in Commonwealth Armory, Boston, was attended by over 4,000 Shriners who witnessed the election and installation of Officers for 1965 and the initiation of 100 new members into the Order.

The new Potentate was well known in the life insurance business and was in the employ of the John Hancock Mutual Life Insurance company of Boston for fifty years and has now retired.

Odell received his education in the public schools of Boston and Burdett College. He enlisted in the United States Army in April, 1917 during World War I and served for 25 months, of which 23 months were in France.

He is a member of Ham-matt Lodge, A. F. & A. M. of Boston and served as Worshipful Master in 1928 and 1929; John Winthrop Royal Arch Chapter and was High Priest in 1927; Boston Council, Royal and Select Masters; Boston Commandery #22, K.T., serving as Commander in 1933, and Boston Court No. 103, Royal Order of Jesters. He is a 32nd Degree Mason and a life member of Boston Lafayette Lodge of Perfection, Giles F. Yates Council Princes of Jerusalem, Mount Olivet Chapter of Rose Croix, and Massachusetts Consistory.

Odell was created a Noble of the Mystic Shrine in Aleppo Temple in May, 1920, and was a member of the Aleppo Arab Patrol for 35 years, serving as First Lieutenant of the Fourth Platoon for 25 years.

—He married Ruth A. Adams of Stoneham on November 1, 1939, and now resides at 44 Grandview rd. The Shriners, with over 850,000 members in North America, have been well known for many years for their philanthropic work through the Shriners Hospitals for Crippled Children and have administered to over 200,000 crippled children in their 17 Shrine Hospitals during the past 40 years, regardless of race, creed or color, and without charge or expense to the child or parent.

Supplementing these 17 Shriners hospitals, the Shriners are now engaged in a new project in the care and treatment of burned children. This project calls for the building of 3 new Burns Hospitals located at Boston, Galveston and Cincinnati and will also be a 100% charitable venture to carry on a much needed

program in the field of research on burns as well as to care for burned children and the instructing of doctors and nurses in the treatment of burned children.

Closely allied with the Shriners Burns research program will be the personnel of the Massachusetts General Hospital and Harvard Medical School.

The new local Unit of the Shriners Burns Institute will be on Blossom Street, adjacent to the Massachusetts General Hospital.

Over Charges Raised

The announcement last week that overdue charges at the Robbins Library including the Dallin and East branches will be raised effective Feb. 1, has already served by reminding a number of readers to bring books in on time, according to Librarian, Miss Judith E. Stromdahl.

The change in overdue charges will be from 2 cents to 4 cents per day on overdue material borrowed on adult and young adult cards, and from 1 cent to 2 cents per day for overdue material borrowed on children's cards. The overdue charge of 5 cents per day on recordings will remain as before.

Overdue charges have remained the same for more than twenty-five years. All such monies received by the library go directly to the town treasury. In recent years, the demand for books by library patrons has greatly increased and the Trustees hope that readers will cooperate by returning books more promptly. If so, they will be available to circulate more often to increasing numbers of borrowers.

Robbins Library Trustees desire to cooperate with Town officials in holding costs in line, while at the same time maintaining the highest standards of library service to the community. It is with this in mind that a change has been voted on overdue charges.

The Saint Agnes Clippers topped Saint Mary's of Winchester at the B. C. rink 4-2. Dan Diskin scored the Clippers first goal with his brother Kenneth getting an assist along with Jim Scannell.

In the second period the Clippers scored again with Chris Brine lighting the lamp with Scannell getting his second assist of the day. O'Hara and Briand combined with Dennis Sullivan on the third goal for the locals just before the period ended.

Saint Mary's scored two goals in the third period and threatened to tie up the game but Jeff Guiney scored an insurance goal to put the game out of reach of the Winchester club. Bob Gaunci did a fine job in the nets for the local team.

Your PHARMACIST SPEAKS

By Hugo A. Greco, R.Ph.
One of the greatest single contributions to medicine was the discovery of insulin, the diabetic's means of enjoying a long, useful life.

Insulin was the idea of Frederick Banting, although others—notably Charles Best and J. B. Collip—played notable roles in its development. The original insulin was obtained from the pancreases of dogs, but from later study a method was found for extracting fresh pancreas (sweetbreads) of beef with acidulated alcohol.
